God's Family Tree of Life

Article Written By: juli

"¹⁸And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth. ¹⁹Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: ²⁰Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen."

Matthew 28:18-20

Genealogy: tracking your family roots. Finding out where your family came from. Can you trace your bloodline to a different country? Who did they marry? Are they famous? To find some connection, some reason why your little toe looks the way it does, some reason why you think the way you do. Questions that need answers, or just by curiosity, you look for long lost relatives. And you explore your tremendous family tree.

I'm sure the makers of an Anti-Virus software are related to me. I may prove it someday. I am sure I have a long lost rich relative that is looking for me. Moreover, a distant uncle or aunt who preaches the Word of God full of truth!

In the Bible you can read for yourself who begat who. And then create a family tree from the numerous generations. You can look to a bloodline to see why a person would be inclined to do what he did. You can trace Jesus' bloodline through the generations and read about His great lineage.

There is another family tree, God's family tree. We could look all the way back to Adam and work our way up to this day, but let's, for the sake of time, skip to today.

To be considered to be a part of God's family, you need to be born again, thus: Repenting, being baptized in the name of Jesus Christ, and receiving the wonderful gift of the Holy Ghost.

Then, after you are in the "family", you would want this family name of "Jesus" to live forever. How can we do that? By bringing forth children in the Spirit; other people. That process is: to travail in prayer, fast and compel for people until they become newborn babies. (being born again). Then these newborn babies get nurtured and taught until they are able to take care of themselves. Then when the time comes, and they become mature enough to be able to bring forth children of their own. The process continues until Jesus comes again. Good thing about this process is; you are never

too old or too young to help birth a new child of God. And they are not too old or too young to become a newborn.

Thus the family tree forks out into this wonderful, beautiful tree. A glorious lineage of blood bought saints who call themselves brothers and sisters, no matter what happens in life. Gods perfect Family Tree of Life, heirs to live forever with Jesus.

Now here comes the ultimate question: Will your branch of the tree fork?

¹⁵ *And he said unto them, Go ye into all the world, and preach the gospel to every creature.*

¹⁶ *He that believeth and is baptized shall be saved; but he that believeth not shall be damned."*

Mark 16:15-16
