Do Yourself a Favor

Article Written By: juli

Do Yourself a favor . . .

"Seek the Lord and his strength, seek his face continually." 1 Chronicles 16:11

. . . and seek God. Find out exactly Who your God is. I am talking about the One True God. Not those little "g" gods. I am talking about YOUR creator. The creator of this whole earth, universe, animals, plants, humans, everything!

The big bang theory. Yes, it is just a theory. Scientist have finally figured out that an explosion could never have created what we call Earth. If you look up the big bang you'll find that they have changed their definition of this theory. They have changed it in so much as to outline everything God says in His Holy Word. Because, no one has ever blown something up to just create something. It is an oxymoron. There never can be nothing and something built upon nothing creates something. Matter must be present with matter. A small baby, developing in mama, needs food to grow. Yes, this little live human needs to be fed. Matter creates matter.

Scientist has come to the conclusion that the galaxies are moving away at a specific speed. God's Word had already declared that:

"Thus saith the LORD, thy redeemer, and he that formed thee from the womb, I am the LORD that maketh all things; that stretcheth forth the heavens alone; that spreadeth abroad the earth by myself;" Isaiah 44:24

Evolution- never happened! We would have part monkey-part man today. Nothing exists as such. No creature has ever evolved as such.

Where could we go to find what is true about our origins?

I have an idea, let's try the Bible. It is the truth after all. We know the Holy Scriptures has been proven over and over again to be the truth, so let's start there.

In the beginning

Yes, we can trust that what we read in the Bible is true. And when we come to the realization that the Bible is true then we know we were created. Not evolved, or blown up to exist, we were created. God created everything with a thought in mind. The creator designed us to be like

Him. Why create man? Because God wanted to commune with us. While Satan is trying his best to dissuade us, God desires for us to choose Him. The scriptures declare this

It would be wonderful if God would just show Himself this whole time, however, that isn't how God designed the flow of things. We must choose on our own, with the influences of Preaching, churches, people who already know, reading the Bible.

There is a part of God in each and every one of us. It is called a conscious. We can snuff out that conscious by ignoring its compelling power. Or, on the contrary, we can receive back that Holy Spirit to regain control through Jesus. It is called the Holy Ghost, Jesus in us. We can be directed by the "Director" and help others by being ourselves full of that Spirit that dwells within us.

Do yourself a favor and seek out that One True God. Get to know Him; study God's Scriptures. His name is Jesus and He is calling you today. Don't just go to church and sit on a pew. Find out God's will for your life today. Find out who He is, His likes and dislikes, what to do to be in His favor, His plans. Jesus is here, today, for us, but we must first desire Him.

Do yourself a BIG favor and get to know Jesus today!

And if you are listening to false teachings telling you not to read, not to study, then you are condemning yourself. You will lose out if you follow them. Follow truth, dig in and learn, allow Jesus to lead and guide you.

"When thou saidst, Seek ye my face; my heart said unto thee, Thy face, Lord will I seek." Psalm 27:8
