Fruition of Favor

intentional

Article Written By: juli

"Then Peter opened his mouth, and said, Of a truth I perceive that God is no respecter of persons: But in every nation he that feareth him, and worketh righteousness, is accepted with him." Acts 10:34-35

Years ago I was telling my friends how we can trust God throughout anything; I happen to be going through one of the biggest trials in my life along with several other troubling circumstances. One of my friends piped up and questioned my level of faith and marveled at it. The others nodded their heads in agreement. These friends were sisters in Christ and faith wasn't strange for them.

Humbly I responded, "Don't look at me as someone great, or even wonder because my faith is so strong. My great faith started with trusting God with the simplest of things; then grew. Little bit, by little bit; abundant faith just doesn't happen overnight." Furthermore, great faith cannot be destroyed easily. If you trust His Word is true, then you know you can count on Jesus to help you through anything. Anything!

God is not a respecter of person; however, you can obtain Jesus' favor; when you have great faith and align your life with Christ and to His Word. You will come to that moment in your life where you recognize that your faith has far exceeded your own expectations and you realize you have favor with Jesus.

Jesus prefers for everyone to be favored. When people realize this favor, they can then see His favor in every facet of their life. The Bible refers to it as "abundant life".

To have fruition of favor with Jesus means to talk to Him about everything; He wants to hear it. Fruition of favor means not to be stuck in one way of thinking when it collides with God's Word; you're easily pliable with His Word. Fruition of favor means to take the chastisement from Jesus when you need it and deserve it; then grow from it. Fruition of favor means when hurt, pains, tribulations, and frustrations invade your life, you allow God to take you through them; maturing and developing you and your relationship with Him. Fruition of favor means your relationship with Jesus just keeps getting better and better.

Having fruition of favor with Jesus, you to enjoy the ride, no matter how bumpy the ride gets. Happiness is fleeting, unhappiness can be welcomed at any time, but JOY is long-lasting internal state, which gives you contentment everyday regardless if happiness or unhappiness shows up. The contentment of Joy is not an emotion, but a state of mind, which overrides any emotion.

Great faith, fruition of favor, your choice, your life.

"Thou hast granted me life and favour, and thy visitation hath preserved my spirit." Job 10:12
