WAIT

intentional

Article Written By: juli

I waited on God for my trial to end,
The length was difficult I cannot pretend,
I grew tired of waiting, trying not to contend,
I waited on God, my Father and Friend

"I'm waiting on you," He said unto me,
"To be all that you can possibly be;
Your waiting enlightens you to be able to see,
I'm waiting on you as you wait on Me."

I'm waiting on you Lord, to set me free
From frustrating circumstances I want to flee.
Take this trial Lord, it seems so long," I plea,
I'm waiting on You, I'm waiting to see."

"There's future in failure and brokenness I've shown
The silence doesn't mean that you are ever alone,
I'm drawn to your anguish, you're drawn to My throne
I'm waiting on you, My child, My own."

*"But they that wait upon the Lord shall renew their strength;
they shall mount up with wings as eagles; they shall run, and
not be weary; and they shall walk, and not faint." Isaiah 40:31*
